

COSAC Sibling Pen Pal Program

The Sibling Pen Pal program is a great and easy way to connect siblings so that they can share stories, successes and challenges of living with a brother or sister with autism. To join the program, please complete this sign-up form. Also, please include the children's ages, hobbies and any other information you think would be helpful in making a good pen pal match. Please feel free to photocopy this sheet or use extra paper. You will hear from a COSAC staff member soon!
